

Volunteer for a good cause Making an IMPACT that matters

At Deloitte, it is our shared purpose to make an impact that matters – to challenge ourselves to what matters most for our clients, for our people and for society. At the recent SEA-wide IMPACT Day, our collective efforts helped drive measurable change in our community where we delivered food rations and cooked meals to needy beneficiaries around the island.

In our September mailer, we share several volunteer opportunities that you can apply your skills and take actions to lead and create a positive impact. As a lead up to the ASEAN Para Games (APG) this coming December, the APG team is organising a series of community engagement events to create greater awareness on para-sports. One of events is the ASEAN Para Games Goalstar Tourney and you can lend your support by being a volunteer to help with events management.

Simply click on the respective links below for more information and to register your interest for the activities. Please inform [Marie Li](#) and [Ho Hui Xin](#) on your registration for any of the activities and you may also approach them if you have any queries. We will continue to share more of such opportunities in our monthly mailers.
