# Our services

## Improving Corporate Structure

Advise on the optimal form of corporate structure depending on your business plan, be it expanding to foreign markets, managing your rights to available tax incentives, or optimising your Company's growth and efficiency.

### How can you benefit?

- A structure catered to future expansion plans, reflecting the different business functions within the group
- A structure that is in line with fundraising requirements to maximise shareholder's value

## Improving Financial Reporting Quality

Enhance compliance of accounting policies and comparability to industry practices, with additional guidance to finance teams to meet regulatory requirements.

### How can you benefit?

- Strengthened financial reporting competency of the finance department to give greater assurance in financial reporting and compliance
- Improved quality of financial statements

## Improving Management Control Process

Streamline and customise management reporting processes.

Improve the processes and structure that management rely on for day-to-day business and decision-making.

### How can you benefit?

- Improved management reporting to enable management to make informed and timely business decisions
- Improved processes for financial internal control

**Launchpad for fund raising activities**

# About us

Our Global IFRS and Offerings Services (GIOS) professionals provide a diverse range of services ranging from IFRS implementation services, reporting advisory services and cross-border offerings services. We specialise in serving SMEs seeking initial public offerings and other fund raising options, and have a wealth of experience in helping clients list on the SGX.

## Global IFRS and Offerings Services

Knowledgeable about regulatory requirements of the Singapore market

Experience in executing public offerings as reporting accountants, IFRS and reporting advisory transactions

Adept at assisting clients in preparation for fund-raising and public listings

Ability to advise on the responsibilities and requirements of post-offering reporting requirements
