The screenshot displays a learning management system interface. On the left, a 'Quiz assessment' window shows details for a quiz completed on Tuesday, 17 September 2019, at 11:36 PM. The quiz was finished, took 31 seconds, and the user scored 8.00 out of 10.00 (80%). Below this, 'Question 1' is shown with a multiple-choice question about lease terms. The correct answer is 'c. No, Market-Fresh needs to include the rent free period in the contract'. A public chat window is also visible, with messages from Edmond So and VM14. On the right, a 'Quiz navigation' window shows a progress bar for 'Tanya Lee' with five questions, all marked as completed. Below this, a 'Live Webinar' interface is shown, featuring a 'QUIZ' section with 'Question 1' about recognition exemptions under FRS. The question asks for recognition exemptions, and the options are: A (1 and 4), B (1 and 3), C (1, 3 and 4), and D (All of the above). At the bottom, there are controls for starting a poll, uploading a presentation, and sharing a YouTube video.

Hey, anyone find that identification of a lease such a difficult topic? I find it challenging as high judgement is involved. If the person doing it is not experience, it may not lead to the right answer.
