Zero-rating for exportation of goods
13 November 2020 | 2 CPE hours
9:00am-11:00am
### Introduction to course

GST-registered businesses must charge GST at the prevailing standard rate of 7% on all supplies of goods made in Singapore unless the goods are exported and sufficient export documents are maintained in a timely manner. In so, the supplies of goods would qualify for zero-rating. Failure to charge and account for the applicable GST to the tax authority would turn out to be a costly mistake to the businesses.

This workshop aims to explain the various export arrangements which qualify for zero-rating and the respective documentation requirements.
