**The place to thrive  
in the digital age,  
unleashed.**

**Powering Audit Analytics –  
In partnership with Deloitte**

## **Do you aspire to be a highly sought after accountant after graduation?**

If your answer is yes, join the audit analytics elective module and you will be on your way to becoming part of the next leading generation of accountants who are well-equipped with audit analytics capabilities!

The elective module is part of the “Powering Audit Analytics – in partnership with Deloitte” programme, which is created in collaboration with the Singapore Management University (SMU). Deloitte Singapore is the first to design and teach the audit analytics elective under the School of Accountancy.

### **As part of the programme, you will:**

- Learn to apply data analytics in audit based on a risk-based methodology with real-life examples
- Be equipped with analytics skills to prepare yourself for the technological advances that shape the way audit is done
- Apply audit analytics on real-life companies through the development of prototype dashboards with guidance and mentorship provided by audit partners from Deloitte
- Have the opportunity to intern with the Analytics team within Deloitte’s Audit & Assurance business to gain first-hand experience working on actual client projects

## Deloitte-SMU Audit Analytics: Programme outline

### Audit analytics process

Learn the basics of Extract, Load and Transform (ETL) in data analytics and visualisation tools such as Tableau for application to the Capstone Project.

### Application of data analytics in audit

Leveraging on the knowledge from the pre-requisite courses and the “Audit Analytics Process” stream, understand the “how” in applying data analytics to audit.

### Capstone Project

The ability to conceptualise the application of audit analytics to real-life companies in the Capstone Project will be the gauge to the learning outcomes of the earlier 2 streams.

---

### Who is eligible?

All accountancy undergraduates are welcome to apply for the elective programme.

### How to apply?

The module will be open for bidding on SMU’s BOSS (Bidding Online System) platform.

Enrol now to be part of this first-class experience!

# Deloitte.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited (“DTTL”), its global network of member firms, and their related entities (collectively, the “Deloitte organization”). DTTL (also referred to as “Deloitte Global”) and each of its member firms and related entities are legally separate and independent entities, which cannot obligate or bind each other in respect of third parties. DTTL and each DTTL member firm and related entity is liable only for its own acts and omissions, and not those of each other. DTTL does not provide services to clients. Please see [www.deloitte.com/about](http://www.deloitte.com/about) to learn more.

Deloitte Asia Pacific Limited is a company limited by guarantee and a member firm of DTTL. Members of Deloitte Asia Pacific Limited and their related entities, each of which is a separate and independent legal entity, provide services from more than 100 cities across the region, including Auckland, Bangkok, Beijing, Bengaluru, Hanoi, Hong Kong, Jakarta, Kuala Lumpur, Manila, Melbourne, Mumbai, New Delhi, Osaka, Seoul, Shanghai, Singapore, Sydney, Taipei and Tokyo.

## **About Deloitte Singapore**

In Singapore, audit and assurance services are provided by Deloitte & Touche LLP and other services (where applicable) may be carried out by its subsidiaries and/or affiliates.

Deloitte & Touche LLP (Unique entity number: T08LL0721A) is a limited liability partnership registered in Singapore under the Limited Liability Partnerships Act 2005.

This communication contains general information only, and none of DTTL, its global network of member firms or their related entities is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser.

No representations, warranties or undertakings (express or implied) are given as to the accuracy or completeness of the information in this communication, and none of DTTL, its member firms, related entities, employees or agents shall be liable or responsible for any loss or damage whatsoever arising directly or indirectly in connection with any person relying on this communication.
