

Seminar on Financial Reporting Standards

Friday, 12 December 2014
9am to 5pm
Grand Hyatt Singapore

Are you keeping up with the new accounting pronouncements in Singapore? Join our speakers for a round-up of the changes in financial reporting standards that may affect enterprises in the coming financial reporting periods. Our speakers will also share their experience and observations on the practical challenges preparers often face when implementing some of the complex new requirements, so that you can be better prepared when you need to apply them.

Topics include:

- Fair value measurement and the 3-level hierarchy
- Assessing control under the new Standard on consolidation
- Investment Entities – an exception to consolidation
- Classification of joint arrangements and its impact
- Overview of annual improvement projects, and other new/revised standards/interpretations
- Illustrative financial statement notes for new disclosure requirements
- Highlights of revised revenue accounting standard and other significant exposure drafts
