

**Seminar on Financial Reporting Standards**

Date: 12 May 2017

Time: 9am to 5pm

Venue: Grand Hyatt Singapore

We are now about 8 months to 1 January 2018! Are you prepared and ready to apply IFRS 15 *Revenue from Contracts with Customers* (FRS 115) and IFRS 9 *Financial Instruments* (FRS 109) which are effective on 1 January 2018? If your company is a Singapore incorporated company listed on the SGX, have you also assessed the impact arising from the IFRS Convergence? Lastly, how familiar are you with the requirements of IFRS 16 *Leases* (FRS 116) which is effective 1 January 2019? Are you also adequately prepared to deal with the wide implications brought about by these new accounting standards e.g. on your financial reporting processes, income tax cash flows, internal performance measures etc?

Join our speakers now where they will share the issues and practical challenges of these new 3 standards and IFRS Convergence as we draw nearer to the effective date.

#### **Seminar Outline**

- What the IFRS Convergence means and introducing IFRS 1 *First-time Adoption of International Financial Reporting Standards*
- Key concepts, challenges and implications of IFRS 15 *Revenue from Contracts with Customers*, IFRS 9 *Financial Instruments* and IFRS 16 *Leases*
- Overview of other new/revised standards/interpretations and expected changes in the pipeline

# Speakers

**Ghamazy Rashid**  
Partner  
Assurance & Advisory Services

Ghamazy is a Partner in Deloitte Southeast Asia with more than 16 years of professional experience mainly in Singapore. He started his career in assurance, before moving to the IFRS Centre of Excellence in Singapore 10 years ago and subsequently to accounting advisory where he leads the provision of accounting advice to companies on complex transactions including restructuring, mergers and acquisitions, and the implementation of new IFRSs.

His current role is focused on helping companies implement IFRS 15 and 16, as well as leading IFRS conversion projects throughout Southeast Asia with cross-functional teams comprising of accounting and systems implementation professionals.

Ghamazy is regularly involved in giving lectures/trainings on IFRS and SFRS at regular seminars conducted by Deloitte for companies and statutory boards, and in speaking engagements with several accounting institutes.

**Aylwin How**  
Senior Manager  
Assurance & Advisory Services

Aylwin has more than 12 years of public accounting experience, particularly in the Financial Services Sector. He spent 9 years in the audit of clients in the financial services sector before joining the Singapore technical accounting team as a Senior Manager. His clients include organisations within the banking, fund and commodities industries.

He is also member of Financial Instrument Valuation team, having graduated in 2009 with a MSc Financial Engineering, administered by the Nanyang Technological University of Singapore.

In his role within the Singapore technical accounting team, he is a contact point for consultations on technical accounting matters on key audit clients of Deloitte Singapore, and supports accounting consultation for other service lines. He speaks frequently in external seminars and gives lectures at a local university on various aspects of accounting, including IFRS 9 and consolidation/ business combination accounting. He is also a co-author of a professional accounting book on "Derivatives and Hedge Accounting" currently used in an undergraduate course.

In his technical role, he is involved in advising clients on accounting and valuation for complex financial structures and hedging strategies. He is also involved in IFRS conversion projects in Southeast Asia as a lead project manager, which involves review and alignment of chart of accounts for consolidation purposes, as well as development of accounting policy manuals.

**Josette Soh**  
Senior Manager  
Assurance & Advisory Services

Josette has more than 9 years of public accounting experience in serving local and multinational companies around the world. She started her career in assurance services before spending 2 years in Deloitte's IFRS Centre of Excellence where she was involved in addressing complex accounting issues in support of the several functions within Southeast Asia.

Josette subsequently moved on to technical accounting advisory and in her current role, she provides accounting advisory to companies within Southeast Asia on complex transactions, including implementation of IFRS 15 and 16.

Josette is also regularly involved in giving internal and external lectures/trainings on IFRS and SFRS at regular seminars conducted by Deloitte.

She is a member of the ISCA and a fellow member of ACCA.
