Latest guidelines for entry and exit via air travel

Prime Minister's Office | 15 December 2021

The Government has released the latest guidelines for **entry** and **exit** into Brunei Darussalam via air travel that will take effect from 1 January 2022. Under the latest measures, inbound and outbound travel will be applicable only to fully vaccinated individuals. However, Brunei citizens and permanent residents who are not fully vaccinated will still be allowed to return to Brunei Darussalam.

A "Travel Green List" (GL), which will be updated based on the Ministry of Health's risk assessment, has also been introduced. Currently, Australia, China (including Hong Kong, Macao, and Taiwan), Singapore, and the United Kingdom are classified as GL countries/regions. Travellers from these countries/regions will not be required to apply for an entry travel pass for entry to Brunei Darussalam.
