

# Maximising the benefits of your agile way of working

Many prominent enterprises that have adopted or are adopting agile-at-scale practices encounter challenges identifying suitable technology to facilitate their new way of working, particularly at scale.

To address this, our cutting-edge Deloitte Workday **Workforce Planning Agile@Scale** solution harnesses the power of skills, an advanced search engine, and clear visualisations to facilitate smooth, efficient and transparent agile resourcing management.

Deloitte Workday **Workforce Planning Agile@Scale** solution harnesses the power of skills, an advanced search engine, and clear visualisations to facilitate smooth, efficient and transparent agile resourcing management.

## What we have heard:

# Workforce Planning Agile@Scale

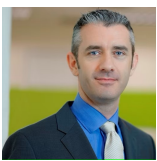

Our Deloitte Workday Workforce Planning Agile@Scale solution will power your agile way of working, driving greater visibility, efficiency and profitability.

## What this means for you:

Your agile resource management processes will be supported by fit-for-purpose technology, and your business will greatly benefit from:

- **Improved visibility of prioritised work** and link to strategic objectives.
- Creation of teams, and managing planned or ad hoc requests and allocation of resources in a **single, cloud-based platform**, reducing reliance on offline spreadsheets, double entry, multiple sources of truth.
- **Stronger focus on skills** resulting in finding the fit that's best for the work and your workers.
- **Greater visibility of in-demand skills** and skill gaps.
- **Simplified worker allocation process** using a sophisticated search engine based on relevant skills.
- **Real-time visibility** of impact of requests and supply on cost of work.
- **Visibility of impacts on ESG-related metrics.**
