

VAT Academy

WHAT IS VAT ACADEMY?

- VAT training on fundamental VAT principles in respect of domestic and cross-border transactions
- Interpretation of VAT principles in light of EU VAT Directive No. 2006/112/EC and judgments of the Court of Justice of the European Union
- We focus on all the VAT important areas that Slovak companies encounter
- Interpretation of theory using practical examples
- Face-to-face communication with our VAT specialists
- Experience with changes introduced by the amendment to the VAT Act effective as of 1 January 2017

WHO WILL GIVE THE TRAINING?

Training will be given by our specialists:

Ján Skorka – a senior manager specialising in indirect taxes. Ján's clients include multinational corporations and local entities in the automotive and manufacturing industries. He also specialises in real estate and development. He is a tax advisor and a member of the VAT Methodological Legislative Committee.

Ivana Dvořáková – a manager specialising in indirect taxes and VAT relating to shared service centres and VAT reviews. She also provides services related to tax return preparation and advisory services. She has worked in taxation for twelve years and is a tax advisor.

Katarína Mikovinyová – a manager specialising in indirect taxes. She has experience of VAT reviews for companies in various sectors and in issues related to the application of VAT in specific environments, such as the pharmaceutical sector.

WHY THE VAT ACADEMY?

- First-rate technical and presentation level
- Interactive and practical approach
- Ability to identify the risks and savings opportunities in your business
- Chance to discuss VAT problems with specialist
- Experience with changes to the VAT Act effective as of 1 January 2017
