

VAT Academy

WHAT IS VAT ACADEMY?

- VAT training focused on understanding fundamental VAT principles in respect of domestic and cross-border transactions
- Interpretation of VAT principles in light of EU VAT Directive No. 2006/112/EC and judgments of the Court of Justice of the European Union
- We focus on all of the important areas of VAT that Slovak companies often encounter
- Interpretation of theory on practical examples
- Face to face communication with our VAT specialists

WHO WILL GIVE THE TRAINING?

Quality training is ensured by our specialists:

Ján Skorka – a Manager specialising in indirect taxes. Ján's clients include multinational corporations as well as local entities operating in the automotive and manufacturing industries. He also specialises in the real estate and development sectors. He is a tax advisor and a member of the VAT Methodological Legislative Committee.

Katarína Mikovinyová – a Manager specialising in indirect taxes. She has experience in performing VAT reviews for companies operating in various sectors as well as in issues related to the application of VAT in specific environments, such as pharmaceutical sector.

Miloslav Jošt – a senior tax consultant at Deloitte Slovakia. He has over eight years of experience in tax and tax consulting. He is a certified tax advisor and a member of the Methodological and Legislative Commission for Value Added Tax. He speaks fluent German and English. He specialises in indirect taxes. He has extensive experience with advisory for construction and energy distribution companies.

WHY THIS TRAINING?

- High technical and presentation level
- Interactive and practical approach
- Ability to identify the risks and savings opportunities in your business
- Opportunity to discuss uncertainties and practical problems with a VAT specialist

HOW DO WE DO IT?
