

# R&D and Government Incentives global network

Our practitioners shape the markets in which they operate through their eminence, global track record, and key relationships with local tax authorities

- Established global practice of over 800 GI practitioners (including a large number of former regulators) in 50 countries
- Deep experience working with regulators and tax authorities in their jurisdictions
- Integrated R&D Tax specialists, Industry specialists and GI professionals with strong experience in all aspects of claims strategy, preparation, and defense
- Incentives Insight: Globally proven best practices and methodology
- I Smart – global technology platform
- Experienced local teams, supported by an established global network

# The Deloitte global network serving R&D and GI

“As One” allows us to deliver market leading integrated services by leveraging our global network to assist clients in identifying, applying for and collecting incentives from government authorities and other incentive bodies

# The Power of experience

The global R&D and Government Incentives team includes former officials with various Government authorities and regulatory agencies who have an in depth understanding of the regulatory processes for approval

- Multi disciplinary teams are focused on providing value through proven and collaborative methodologies, processes, and technology to streamline the efficiency of claims strategy, preparation, and defense
- Key relationships with regulators and tax authorities in their local jurisdictions provides clients with the critical information needed to proactively identify and communicate with key decision-makers and fully optimize potential opportunities

Successful R&D strategies and claims allow you to leverage your global infrastructure to maximize development of valuable intellectual properties

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee, and its network of member firms, each of which is a legally separate and independent entity. Please see [www.deloitte.com/about](http://www.deloitte.com/about) for a detailed description of the legal structure of Deloitte Touche Tohmatsu Limited and its member firms.

Deloitte provides audit, tax, consulting, and financial advisory services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries, Deloitte brings world-class capabilities and deep local expertise to help clients succeed wherever they operate. Deloitte's approximately 182,000 professionals are committed to becoming the standard of excellence.
