Deloitte India (Offices of the US) Consulting Alumni Reunion

The first ever **Deloitte India (Offices of the US) Consulting Alumni Reunion** was organized in Hyderabad and Bangalore. The event aimed at augmenting the connection of the firm with Consulting alumni through components like Deloitte quiz, experiences sharing, leadership engagement and a networking dinner.

The alumni were excited with the opportunity to connect with their ex-colleagues, several Directors, Senior Managers and Talent leaders from Deloitte. They found the event to be a unique platform and a channel explored by few companies. Some of them even altered their personal and professional schedules to ensure their participation, while a lot of them expressed a keen interest to come back to Deloitte. The meet was also attended by a few 'boomerangs' who shared their experiences and why they came back to Deloitte. The meet ended with a great dinner and loads of networking and nostalgia. Through this series, Deloitte USI alumni got a first-hand experience of our philosophy of 'colleagues for life'.
