Misses working with his old team back at Deloitte and wishes and prays that all of them are at the best of their health.

**Gannaboina Amar**

**Audit & Assurance, Core Audit Services  
Hyderabad**

Learned a lot of new skills and loved to work in busy seasons at Deloitte. Deloitte is an employee-friendly company where everyone loves to work. Such amazing colleagues, work environment, knowledge, and teams. Happy to be part of this company since it was a dream to work for one of the Big 4 companies.

**Jayshree Choudhary**

**Audit & Assurance, Core Audit Services  
Hyderabad**

Shares that she's delighted to be a part of the extended Deloitte family and is loving the experience as much as she enjoyed her tenure. She hopes everyone is staying cheerful and safe during the lockdown.

**Ragasudha Taduri**

**Audit & Assurance, Core Audit Services  
Hyderabad**

Is very glad to have worked at Deloitte. Her seniors helped her learn many new things in her area of audit. Her colleagues were very helpful and taught her about the audit procedure at Deloitte and helped her work faster and with increased accuracy.

### **Rishi Rongala**

**Audit & Assurance, Core Audit Services

Feels that joining Deloitte is the best decision she made in her life. Deloitte shaped her into the person she is today. She will always be glad to have been a part of such an organization that focuses on efficiency and productivity along with the well being of its employees.

### **Farman Alam**

**Audit & Assurance, External Audit Services  
Gurgaon**

Shares that he's currently based out of Kuwait. During the ongoing crisis, he has contributed by participating and encouraging volunteers to participate in government relief activities; collaborating with the people living in his society and ensuring that they serve food to at least 100 people every day (majorly daily-wage earners, unemployed people and foreign nationals who got trapped in Kuwait due to travel restrictions); organizing a monetary fund to help the needy back home in India. He has aimed to continuously maximize the above operations so that nobody sleeps hungry. He truly believes that our collective efforts will be lead to success.

### **Siddharth Kalra**

**Audit & Assurance, External Audit Services  
Gurgaon**

Feels that Deloitte offered him the perfect launchpad for his career. He is currently pursuing an MBA and would want to come back to Deloitte shortly if things work out. The amazing work culture, flexibility, and helping people all around, are reasons that make him want to bounce back. The three years that he spent at Deloitte equipped him for his MBA by providing the necessary corporate exposure. He hopes to come back to the company soon and be part of this amazing organization.

Shares that he considers himself privileged and fortunate that he got the opportunity to be a part of the Deloitte family for a fantastic three years. Deloitte afforded him talented colleagues to learn and work with. He would like to thank all his wonderful mentors and guardians at Deloitte for helping him grow. He would love to be a part of Deloitte again after completing his master's degree.

**Rakesh Babu****Consulting, Customer & Marketing  
Bengaluru**

Feels that Deloitte gave him some very good exposure. He groomed himself well and utilized the opportunities. His last project at Deloitte remains the best in his career. The team was also equally good. Development lead, architect, support SAP, and other integrations related to e-commerce made him strong in this field. He can see himself as a leader in e-commerce and doing well in his current organization purely because of the exposure and the support received during his tenure at Deloitte.

**Ravi Badisa****Consulting, Customer & Marketing  
Hyderabad**

Joined Deloitte as a campus recruit in 2016. He feels the best days of his life were spent at Deloitte and it helped him take his soft skills and technical skills to the next level. All the teams he worked with were great and the leadership was supportive. He became a Hybris developer and got a promotion and several recognitions during his tenure. He would love to return to Deloitte sometime in the future.

**Apurv Srivastava****Consulting, Enterprise Operations  
Bengaluru**

Shares that Deloitte was the first Big 4 organization that he joined and it gave him an insight into the professional working culture. In his current organization, he has matured a lot in his core area of work which is the SAP PP module, while also learning SAP QM and WM modules with ease. He gives credit to Deloitte for sowing this learning seed in him right from start. He looks forward to work again with the great minds at Deloitte.

**B Arunpaul****Consulting, Enterprise Operations

Is happy to share that during these troubled times, he's keeping up the good work, and given the WFH options, all of his clients' work is being unaffected and all the deliverables are on track.

**Gaurav Khanna****Consulting, Enterprise Operations  
Hyderabad**

Would like to begin by sharing the best thing that he learned at Deloitte was networking which continues to bring him new opportunities. After stepping out of Deloitte, he joined the Maersk group. While establishing the process in India, he shared the learnings that he got from Deloitte especially concerning the transition of any process, and because of that, he was awarded as the best trainer during the transition process.

**Sharath M Gangadhara****Consulting, Enterprise Operations  
Bengaluru**

Appreciates this opportunity to share his story with Deloitte. In this pandemic, he has been inspired by his wife, Rosa who is a scientist by profession but a social activist by passion associated with the FeedMyBangalore group. They visit the migrant, poor neighborhoods in Koramangala daily and distribute lunch. They make sure to reach out to all the hungry, poor, and homeless people and distribute 300 packets of food daily. They hope to feed the hungry and help the less privileged as much as possible in these difficult times.

**Sudeep Shanbhag**

Is getting excellent feedback from clients about project deliverables. His Deloitte experience has helped him handle critical situations and deliver client requirements independently.

**Amar Girdhar**  
**Consulting, Enterprise Performance**  
**Gurgaon**

Shares that during these difficult times, he tries to keep himself busy by taking additional responsibilities at work. It helps him remain productive. The flexibility of work-from-home which Deloitte had always given him enabled him to transition smoothly to working from home for his current employer.

**Arun Thyagarajan A C**  
**Consulting, Enterprise Performance**  
**Bengaluru**

Is now an Oracle EBS supply chain management professional and currently works in the in-house IT department of a manufacturing organization. He has learned lots about core manufacturing business and how Oracle is used in their daily work. He has learned collaborative planning and ASCP modules in the last one year. He learned finance modules like AP in Deloitte and it helped him in his current job when he interacts with finance end-users.

**Deepak Rajamohan**  
**Consulting, Enterprise Performance**  
**Bengaluru**

Feels that Deloitte gave him a good breakthrough and taught him how to have a professional approach (on projects and with colleagues) as well as a systematic process and strategy.

**Harshith E S**  
**Consulting, Enterprise Performance**  
**Bengaluru**

Shares that he's having a good work-life balance at his current organization (another Big 4 organization). During the lockdown, he's using the Oracle Learning subscription provided to him from his current organization.

**Praveen Battini**  
**Consulting, Enterprise Performance**  
**Hyderabad**

Shares that working at Deloitte was a wonderful experience professionally and personally. The team, leadership, management, and colleagues are very supportive in every aspect which motivates an employee to give his/her 100%. There is sufficient work-life balance, learning tools, and an amazing pool of talent from whom he was able to learn a lot. He received timely recognition, promotion, and other appreciations that motivated him. He certainly hopes to be a part of Deloitte again.

**Rakesh Kumar Mandal**  
**Consulting, Enterprise Performance**  
**Bengaluru**

Shares that at Deloitte, there was a lot of focus on developing soft skills which have helped him connect with stakeholders and thereby contribute to projects. He was blessed with a great team with a 'never say no' attitude which built up his confidence to take up any work. The journey with Deloitte had a tremendous impact on his personal and professional development.

**Ritika Trivedi****Consulting, Enterprise Performance  
Hyderabad**

Shares that Deloitte gave her a lot of self-confidence. One thing she misses is the Deloitte culture, the open door policy with leadership, the vibrant office space. Given a chance, she would be happy to be a part of Deloitte again.

**Snehashis Bhattacharya****Consulting, Enterprise Performance  
Hyderabad**

Shares that after Deloitte, he joined an inter-governmental organization as a member of the Indian team for an international megaproject. The technical, as well as value learnings from Deloitte days, are helping him immensely to contribute to this project. The work culture and the people are what he loved the most at Deloitte.

**Janita Bhatia****Consulting, Human Capital  
Bengaluru**

Shares that one thing she loved about Deloitte was the flexibility to work from home any day. She loved the work environment and networking with colleagues virtually. Luckily, she has the same level of support in her current organization in the US. She wishes all the best to all alumni and Deloitte professionals and hopes everyone is staying safe.

**Gaurav D Gaikwad****Consulting, National Consulting  
Mumbai**

Says that he wishes to thank Deloitte for being concerned about alumni. It makes him feel special that Deloitte wants to know about the health and safety of former employees too. He wishes to convey that he is doing well and hopes that everyone in the alumni network is fine and well.

**Imran Ahamed**  
Consulting, National Consulting  
Bengaluru

Has always been passionate to meet new people and have meaningful, productive, and constructive conversations. This has led him to his current profile in the consulting business where he pilots financial projects to his clients. It was Deloitte that paved the way for him to design his career path and he feels happy about walking along the same path. Deloitte is still like family for him and he still feels a strong sense of belonging.

**Shilpi Abhishek**  
Consulting, National Consulting  
Bengaluru

Shares that the journey since Deloitte has been quite interesting. Professionally and personally, she has been growing and learning a lot. Coming out of her comfort zone and doing something which was earlier 'not her cup of tea' has worked out well for her. Amidst meeting different types of people, new opportunities, and new responsibilities she is thankful to her friends and leaders from Deloitte who are still connected with her and supporting her. She thanks Deloitte for being a part of her journey and hopes paths will cross at Deloitte again in the future.

**Ashokkumar Deenabandu**

Feels that in the current situation of COVID-19 pandemic, as a clinical development professional, he is keen to see the results of COVID-19 initiatives, especially real-world, evidence-based solutions for management and prevention of the disease. He is sure Deloitte health analytics is already working in this space and looks forward to the insights from Deloitte.

**Aastha Maggu**  
Consulting, Strategy & Analytics  
Gurgaon

Worked as a Business Analyst with the Business Strategy practice. Her stint at Deloitte ended in 2019. She currently works with Urmul Trust, a non-profit that collaborates with the desert communities across western Rajasthan. She leads the Camel Partnership initiative in the organization. They are trying to set-up a camel milk enterprise in the region. Besides, she has been doing research on the pastoral ecosystem. Her favorite humorous field-work conversations in Rajasthan revolve around why an unmarried girl from Delhi would want to save the camel. She is really excited to be working towards creating an impact that matters!

**Bhargava Rama Vadlamudi**  
**Consulting, Strategy & Analytics**  
**Bengaluru**

Shares that his journey at Deloitte was the most memorable in his career so far. Deloitte gave him the best challenges technically which proved the worth of an individual. The best out of the lot was flexibility in terms of working hours and work from home options. Deloitte is a result-oriented organization which provides a clean platform to grow. In the three years of his tenure, he was awarded various recognitions which was encouraging. All the managers he worked with were very supportive.

**Manish Adhikari**  
**Consulting, Strategy & Analytics**  
**Gurgaon**

Shares that the experience he gained over his tenure at Deloitte was a career booster for him. Direct collaboration with clients abroad helped him understand the client's business more precisely. With this experience, he was able to successfully deliver client requirements seamlessly in his current organization. He thanks the entire Deloitte leadership and fraternity and wishes everyone safety, health, and luck.

**Sanjay Singh**  
**Consulting, Strategy & Analytics**

Wants to let her Deloitte US Tax team know how much she appreciates them for being her mentors. They helped shape her career and professional life and showed her how to transform her mistakes into skills. She appreciates everything they have taught her and she feels the success she's had in her career is due in no small part to their support and encouragement. It's not easy to find a true leader to look up to, so it was a wonderful experience to work with a great team. Thanks for helping her become known as an expert in her field.

**Priya Valli Nandakumar**  
**Consulting, Technology**  
**Hyderabad**

Feels that in this difficult time when everyone is trying hard to stay positive, it's fortunate to be able to work and connect over chats and meetings. She left Deloitte Digital in 2015 and has since moved from a technical to a techno-functional domain. She moved to Singapore for a short stint and returned to India. She earned the CSM certification and now works in the mortgage and internet-banking industry.

**Raghuveer Ghatikar**  
**Consulting, Technology**  
**Hyderabad**

Shares that Deloitte was his first company and as they say, anything first in life always carries special memories. He joined straight out of college, got trained on ABAP (Advanced Business Application Programming), and started developing SAP Programs. His experience with Deloitte helped him become a 'Solution Architect' and he's working as a product owner for a startup company. The thing that he loved about Deloitte was the focus that it gave on networking. Being his first company, he got habituated and that has helped him incredibly to build his network.

**Vinod Kumar Geesala**  
**Consulting, Technology**

**Rekha Samavedula****Support Services, Accounting & Financial Reporting  
Hyderabad**

Shares that it's quite a strange time as we are experiencing an extended lockdown and self-restrained curfews. During these bleak times, it feels awesome to create some smiles. She cooks and shares meals and desserts with some daily-wage earners near her home. It feels so good to see them smile and eat with great joy. She is also using this time to learn some baking, refreshing on a few digital marketing courses and looking for new jobs.

**Ch Santosh Kumar****Support Services, Administrative Services  
Hyderabad**

Shares that to combat the COVID-19 pandemic, he was able to join a local NGO which aims at delivering food to the unprivileged. It reminded him of Deloitte's Impact Day. The experiences and learning that he had at Deloitte have helped him a lot in these difficult times. He misses the Impact Day and working at Deloitte.

**Sowmya Sreekumar Warriar****Support Services, Client Leadership  
Bengaluru**

Joined Deloitte as a fresher but her colleagues helped her adjust to the corporate life very quickly while being very mindful about her lack of experience. She never felt that she was a mere 'Associate Analyst' as she was always given the impression that her work created great value to the organization. She was always guided by her peers, her seniors, and all the leaders she interacted with throughout her journey at Deloitte. She is looking forward to coming back to Deloitte at some point and give it her best.

**Anand Kailas****Support Services, Core Talent Services  
Hyderabad**

Was a campus hire to Deloitte's Hyderabad office from October 2008 to February 2016. He recalls seven memorable years with the Core Talent Services team. As he was someone who aspired to be a leader par excellence, he observed the various managers and leaders and their leadership styles and learned a lot from them.

### **Dr Sumit Aggarwal**

**Support Services, Core Talent Services  
Hyderabad**

Shares that post his six years of professional career at Deloitte, he founded his own consulting firm, 'Soberbio Consulting'. The journey has been a joyful ride. When he started this journey of entrepreneurship the experience of Deloitte was quite handy and gave him a lot of clarity on his goals and the path to achieving those goals. He started with a vision to offer qualitative advisory services and impart his learnings from Deloitte to startups. As a Deloitte alum, he receives a lot of respect in the market and gets an advantage to leapfrog the competition. He was recently awarded an H.C. Doctorate in the field of management for his work towards the betterment of the Indian startup ecosystem and he's currently a board member for ten startups.
