

Professional updates for the Charity and Not for Profit sector 2019

What we do

At Deloitte we offer a huge variety of training and learning opportunities for Charities and Not for Profit clients and contacts. These help trustees and senior management not only meet any continuing professional development requirements, but enable us to stay at the forefront of thought and innovation in the sector. Our offerings range from technical updates to discussion lunches and at the request of clients we may devise specific training courses.

Other activities

In London we hold the Deloitte Finance Club which is open to finance professionals from all industries and sectors. Topics for discussion include reporting, corporate governance, risk, tax and economics. Please contact financeclub@deloitte.co.uk if you would like further information regarding these events.

For more focused training needs, mainly tax, there are modules and options available through the **Deloitte Store**.

VAT Learning - we offer an e-learning module in VAT which can be accessed via the Deloitte Store and a VAT School which will equip participants with practical VAT knowledge through a case study approach. Enrolment is open now for the VAT School which starts in April and runs in both London and Manchester. www.deloittestore.co.uk

Deloitte's VAT club is a forum for industry professionals to discuss indirect tax issues with professionals in other organisations and with Deloitte VAT specialists. There are three VAT Clubs per year during which our team give attendees an update on current issues and hot topics in VAT and Customs, and representatives from the tax dispute resolution group discuss current indirect tax case law. Following the Current Issues presentation, VAT Club attendees break out into industry-specific sessions. If you would like further information please contact ncomer@deloitte.co.uk.

If you have any questions about any of the above events please contact UKDeloitteCharityandNFPCommunity@deloitte.co.uk
