

## FUSION

In an era of unprecedented change, we have created a service designed to immerse you in the trends and technologies that will impact your business as well as a collaborative space to co-create propositions to embrace that impact.

**FUSION** is a distinct service we offer in two dedicated spaces:

### The FS Showcase

- The FS Showcase is an environment designed to immerse you with the disruptive trends and exponential technologies that will impact your business.
- Our goal is to make a lasting impression by designing thought-provoking experiences based on a bespoke journey that brings to life Deloitte's assets and expertise.
- The Showcase's flexibility allows the hosting of interactive workshops, startup pitch events, engaging tech demos, hackathons and webinars.

### The FinTech Lab

- In the FinTech Lab, we bring together an ecosystem of expertise to tackle the FS industry's most difficult challenges.
- The focus is to co-develop innovative propositions and continuously strive to deliver tangible and value-creating outcomes for your business.
- The Lab acts as an incubator for FinTech startups, a collaboration space for clients and the wider ecosystem as well a co-location hub for our FinTech, RegTech, Digital FS and Blockchain teams.

**Our vision is to lead a new era of innovation and co-create the future of the FS industry in collaboration with our clients and the global FinTech ecosystem.**

- Each **FS Showcase** experience is tailored specifically to your desired outcomes. We pull together experiential Deloitte assets and relevant digital enablers that address the challenges and ambitions within distinct areas of financial services.
- The **FinTech Lab** houses the teams developing some of Deloitte's leading FS propositions:

We are currently building a number of prototypes and conducting joint POCs with some of the UK's leading FinTech startups.

**FUSION** embodies the evolution of financial services – a future focused on immersion, collaboration and co-creation.
