

## dTrax

Harness the power of Analytics and AI for contract management

dTrax is an end-to-end Contract Lifecycle Management (CLM) solution that delivers improved contracting efficiency, visibility and compliance through advanced analytics.

With the pace of business becoming faster and the demands on in-house counsel continually growing, organisations no longer have the time to spend countless hours manually putting together, negotiating, and managing contract portfolios.

Thanks to significant breakthroughs in technology, there is now a better way.

It's called **dTrax**

Designed by Deloitte's leading Analytics team—rated number one by both Gartner and Forrester—dTrax unlocks the power of your contracts by extracting contract-related data and integrating it with your business data, allowing you to diagnose problems, identify opportunities, and drive value for your organisation.

dTrax streamlines the contract management process by standardising templates, automating first drafts of agreements, and managing the full negotiation process and workflow, while consolidating all executed contracts in one place.

The advanced analytics capabilities within dTrax provide insight into contract performance and help drive operational efficiency across key stakeholders.

dTrax is configured to each client, leveraging a customised suite of technologies which helps reduce cost, minimise risk, reduce cycle time and increase accuracy by leveraging machine learning. This configurability enables your CLM solution to advance with changing technology and evolving business needs.

### Benefits:

#### Increased efficiency

dTrax speeds up the contractual process to help you negotiate deals more quickly

#### Increased compliance

dTrax increases visibility to contract terms and conditions, which improves compliance

#### Reduced cost

dTrax's streamlined processes and increased efficiency unlock additional value from your contracts

#### Reduced risk

dTrax minimises risk by embedding your organisation's playbooks into dTrax with micro-version control and audit trail

dTrax offers a comprehensive solution that automates and streamlines the CLM process.

## Did you know that Deloitte ranked #1 in Analytics globally?

Gartner named Deloitte a global leader in its February 2018 report, making it the third year that Deloitte has been positioned highest in execution. This recognition serves as further proof our scope of services – which spans science-driven advanced analytics assets, ecosystem relationships with best-in-class technology providers, and deep industry experience – is driving smarter insights and stronger results for our clients.
