

Regulatory Data Requests on the rise in TMT companies

Data: 2013 – 2016

TMT companies receive over **27,000** regulatory data requests a year from US and UK Governments alone.

The average number of requests have nearly

doubled

from **13,653**
in 2013 to

27,103

in 2016.

A **peak in 2015** with **28,409** requests.

Companies responding to these requests remained steady with an **average response**

rate of 79.8%

in 2013 to **78%**

in 2016.

The sheer **volume of requests** can be a real **challenge for businesses** and we expect to see the **number of requests continue to rise.**

To do

Companies should **get organised** and know precisely **what data is held and where.**
