Consolidate by Deloitte

Consolidate by Deloitte is an **out of the box, rapid, and fixed scope** service to transform the financial close, consolidation and reporting processes within your organisation.

It is based upon our experience of transforming financial close, consolidation and reporting processes for some of the biggest companies. It is powered by Oracle's Financial Consolidation & Close Cloud Service (FCCS).

Consolidate by Deloitte is pre-configured to enable you to meet global reporting

requirements and gives you greater visibility into your data collection, consolidation and reporting activities.

Consolidate by Deloitte has the following features:

- Currency translations and foreign exchange adjustment calculations
- Intercompany matching and eliminations
- Predefined dimensions with built-in financial intelligence and consolidation logic
- Journal adjustments with approval workflow
- Support for multi Generally Accepted Accounting Principles (GAAP)
- Financial key performance indicator and ratio analysis
- Cash flow reporting
- Supplemental data collection schedules
- Close calendar with task management and workflow

“Deloitte brings strong business acumen and has impressive cloud experience. Deloitte’s clients praise it for bringing business innovation and for being a relationship-oriented partner.”

We give you the extras you might need

Every **Consolidate by Deloitte** package includes the following:

Deloitte Process Library

We recommend that you adopt standard financial consolidation and close processes to get the maximum benefit from your new financial consolidation and close tool. The **Deloitte Process Library** is a collection of good practice process flows and process documentation templates, taken from our extensive global experience of transforming financial consolidation and close processes in some of the biggest companies.

Deloitte Learning Centre

The **Deloitte Learning Centre** gives your end users access to a wide curriculum of self-guided training courses. The courses include a mix of demonstrations, videos, and quizzes. We have developed a successful training programme that keeps learners hungry for more. The **Deloitte Learning Centre** is updated as and when new and improved functionality is released, so your users are always up to date.

Deloitte Help Centre

We know that you will need guidance, help and support after adopting your new financial consolidation and close tool. The **Deloitte Help Centre** is designed to help you, help yourselves. The **Deloitte Help Centre** provides you with access to a regularly updated, self-service knowledge base and also to our online community of other **Consolidate by Deloitte** customers and Deloitte experts.

Deloitte Testing Suite

Financial consolidation and close is a critical business process and we understand that everyone will want to ensure that their new financial consolidation and close tool works as expected. This is why the **Deloitte Testing Suite** includes test script templates and access to our online test management tool during the implementation of your new financial consolidation and close tool to ensure everything goes to plan.

Deloitte Release Service

One of the many benefits of purchasing Consolidate by Deloitte is that you gain access to new and improved functionality on a regular basis – usually every quarter. The **Deloitte Release Service** ensures you get the most out of this new and improved functionality. We will provide you with advanced notice of upcoming changes, explain what the changes are, explain how you might be able to use the functionality, and provide suggestions as to how you might prepare your end users.
