

CRS February Newsletter

The road continues

Introduction

Between January 1, 2016 and January 1, 2017 the Common Reporting Standard ("CRS") regime has come into effect in most participating jurisdictions. Similar to FATCA, the CRS regime differs among the implementing jurisdictions, and changes with constant developments. As part of Deloitte's efforts to provide transparency with regards to this evolving landscape, a summary of key jurisdictional updates on CRS signatories, regulations, guidance, and other related news is distributed via our monthly CRS Newsletter.
