

Cayman Islands extends soft enforcement reporting deadlines for FATCA and UK CDOT

Closing the distance

On August 5, 2016, the Cayman Islands Tax Information Authority ("TIA") announced an extension of the soft enforcement reporting deadlines for FATCA and UK CDOT reporting on the [AEOI News & Updates](#) webpage. The new deadline for notification and report submissions is September 2, 2016, and submissions occurring on or before this date will be considered timely filed, averting enforcement measures. The TIA stated that this extension is provided "in recognition of the AEOI Portal issues Users have experienced."

Notwithstanding this several-week extension, Users are encouraged to proceed with notification and submission efforts without hesitation to avoid late submissions caused by potential [AEOI Portal](#) technology issues.
