#### Treasury Department updates online FATCA document library

On January 15, 2016, the Treasury Department updated the online FATCA document library, relocating the Intergovernmental Agreements (“IGAs”) from the **Additional FATCA Documents page**, referred to as the FATCA Archive, to the main **FATCA Resource Center page**. The IGAs are now reorganized into an alphabetized table with hyperlinks to the agreements. This table contains additional details on the IGAs, providing not only the date the jurisdiction is treated as having an IGA in effect but also, where applicable, the date that the IGA entered into force. As it did previously, the FATCA Resource Center page also contains the Model Agreements for jurisdictions that reached agreements in substance either on or before June 30, 2014, or on or after July 1, 2014. The FATCA Archive still contains the joint statements on FATCA implementation between and from the US and other jurisdictions, the letters of notification of more favorable terms, and previously published press releases relevant to IGA treatment and implementation.
