

**Working:** Unleashed

# Helping you enable remote working for your people - longer term

## Are you ready for the future of work?

While companies around the globe are keen to accommodate a broader remote work balance to their overall approach to working in the future, few have the systems in place to enable an effective and efficient remote working program.

## Get ready to make your vision a reality.

Following a thorough assessment of your company's needs we can:

Help you identify what processes or solutions are best and most suited to your business

Design and document remote working policies and parameters that reflect what is right for you

Help you put a clear communication strategy in place so you can engage with your people at every step

## Deloitte services enabled by technology can make it happen.

Deloitte can provide the support you need as you look to embrace the future of work in a way that best suits your company.

**Establish risk framework**  
Workshop with multi-functional stakeholders and subject matter experts to agree to policy and functional positions

**Employee request and compliance analysis**  
Delivered specifically with remote working in mind to streamline employee requests, assess compliance and help identify risks

**Assessment outcomes**  
These will assist program managers to quickly and easily review and finalize request determinations
