Making an AWS impact that matters

Deloitte and AWS: Trust and Disrupt

Why adopt cloud?

From strategy to operations

Powered by Deloitte.

We help you navigate:

- Security and risk
- Regulatory and compliance
- Financial management
- Vendor strategy
- Operating model
- Governance and controls
- People and skills
- Service Integration

Trust Agility Innovation Disruption

Deloitte blends its role as trusted advisor and AWS Consulting Partner with the agility of cloud to help you maximize your return on investments.

Our success with the UK rail provider...

1.2m

hours saved in manual data processing

8:1 ROI

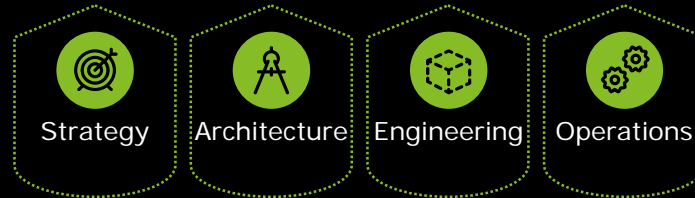

through reductions in delayed payments

13.9m

minutes reduction in train delays

As an AWS Advanced Consulting Partner, we guide you to make an impact that matters through your entire AWS cloud transformation.
