

YOU

## DO IT ALL, FROM STRATEGY TO EXECUTION.

Doing what matters for our clients is about strategy, execution and leadership. You'll join a team known for bringing a mix of private sector perspective and public-sector experience, drawn from delivering industry-leading practices across government and business. You'll do what matters for us by thriving as a leader. Through it all, you'll surpass your own expectations and confidently build the knowledge and the network that can lead to one-of-a-kind success.

### Connect with more ways to grow.

At Deloitte, we engage clients across a range of service areas, helping you bring your unique skills to every project while broadening your knowledge by working with experts in other areas. Deloitte invests in an expanding network of resources to help our Federal clients find new ways to innovate, scale, and enhance mission delivery.

- **Deloitte Center for Federal Innovation:** The Center offers an opportunity to experience 100+ field-tested solutions in real-world scenarios using the latest technologies, such as biometrics, fraud detection, and geospatial modeling.
- **Our "Executable Strategy" includes:**
  - Experience & Insights: We bring deep industry experience and insights to help our clients address their most complex business problems.
  - Analytical Rigor: We anchor our recommendations in rigorous, fact-based analysis.
  - Bold Ideas: We repaint the "art of possible" through bold ideas
  - Anticipatory: We help our clients see the possibilities ahead and help equip them to make tough choices. Buy-in has already been achieved; implementation can proceed quickly.
  - Pragmatic: We bridge the gap between vision and execution
  - Relentless: We are relentless in helping our clients pursue tangible, significant, enduring value

### Where will you go from here?

- **Federal Analyst Peer Group:** Our Federal Analyst Program provides an established structure to help develop skills through initiatives focused on professional development, building strong networks across the practice at multiple levels, and gaining a variety of consulting experiences on projects. FAP has six analyst-led committees that plan activities around community interests.
