<b>Offering Location</b>	IL-Chicago		
<b>Offering Start Date</b>	5/3/18	<b>Offering End Date</b>	5/3/18

## Course Description

This two hour-long session will include key data about the ethics landscape in many organizations, recommended practices for ethical leadership, and engaging "speed ethics" activities, which will provide an interactive approach for analyzing and addressing ethical dilemmas.

## Learning Objectives

Participants will:

- Discuss key trends in ethics and compliance from the marketplace.
- Describe what it means to be an ethical leader.
- Apply the steps of a Problem-solving Process to ethical dilemmas.
