She has now got her work published in various online portals, e.g., “Women’s Web”, “mycity4kids”, “Youth ki Awaaz”, etc. She feels her experience in doing fine research as a Deloitte professional has played a big role in helping her connect with her audience with greater success. She believes that she still has a lot to learn and this is just the beginning.

Sethuraman T A, Bengaluru Consulting, has completed his India fellowship after his stint at Deloitte and is now working with a Math education start-up called Cuemath. He is also working on an adaptive assessment tool with the vision of starting his own learning venture. He values the critical thinking and professional approach that he picked up while working at Deloitte.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (“DTTL”), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as “Deloitte Global”) does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the “Deloitte” name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
