#### The legacy of audit committees

In a recent webcast in conjunction with the Center for Audit Quality, PCAOB board member, Christina Ho, highlighted the influence of technology, particularly AI, on the quality of audits today. She also motivated members of the audit committee to engage with the PCAOB during its rulemaking and standard-setting process and to leverage their platform to inspire the younger generation about the accounting profession.

#### Root cause analysis - An effective practice to drive audit quality

This *PCAOB Spotlight* highlights a root cause analysis (RCA) that can be performed by audit firms to identify common deficiencies within audits and to help improve audit quality. The publication notes that audit committees and others charged with governance may find the firm's RCA useful in their discussions with their audit firm.

#### PCAOB releases new auditing and quality control standards

The PCAOB recently adopted two new standards impacting audit firms. *General Responsibilities of the Auditor in Conducting an Audit and Amendments to PCAOB Standards* "addresses the general responsibilities of the auditor, such as due professional care and professional skepticism, when conducting an audit in accordance with the standards of the PCAOB." *A Firm's System of Quality Control and Other Amendments to PCAOB Standards, Rules, and Forms* requires "all PCAOB registered firms to identify their specific risks and design a quality control system that includes policies and procedures to guard against those risks." Both standards are subject to SEC approval.

#### **About the Center for Board Effectiveness**

The Center for Board Effectiveness helps directors deliver value to the organizations they serve through a portfolio of high-quality, innovative experiences throughout their tenure as board members. Whether an individual is aspiring to board participation or a veteran of many board experiences, the center's programs enable them to contribute effectively and provide focus in the areas of governance and audit, strategy, risk, innovation, compensation, and succession. For more information, contact us at centerforboardeffectiveness@deloitte.com.

#### **About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
