

SAP Modernization Lab

Framing the Case for Change

Deloitte's SAP Modernization Lab is designed to disrupt ordinary thinking, bring clarity to decision-making, and uncover new growth opportunities. With interactive demonstrations, workshops, and personalized support, our team will guide you towards achieving your business goals and maximizing the impact of SAP modernization.

Together, we will explore innovative solutions, enhance processes, and drive transformative change in your organization.

Potential benefits of participating?

- **Gain a firsthand understanding** of how our holistic approach to modern platform engineering unlocks current and future technological advancements.
- **Demystify the migration journey** as we guide you through leading practices, accelerators, and use cases that align with your specific transformation journey.
- **Identify clear next steps** as we help you determine the appropriate migration approach from ECC to SAP S/4HANA and create a high-level roadmap that outlines a 30-to-90-day plan with owners and due dates.

Agenda Breakdown

Energize

Energizer & Introductions

Energize participants and prepare them for active participation throughout the session with an interactive activity designed to facilitate introductions among attendees

Setting the Stage

Opening remarks from key sponsors and set the objectives and expectations of participants for the session

What we Heard

Participants to review pre-lab findings including output from DPA (Deloitte Platform analyzer – designed to analyze current ECC environment) and share their reactions. Facilitate a walking debrief and uncover areas of (mis/)alignment

Imagine

SAP Modernization

Carousel participants in small groups to various stations to educate them on a SAP Modernization approach and key concepts, such as Clean Core and Rise

The Case for Change

Develop the case for change by completing a Walk-The-Walls exercise, learning about customer stories and deep diving on the value case areas

Activate

Energizer

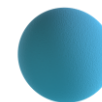

Elevate energy in the room after a break with another interactive activity

Next Steps

Build-out a tactical action plan (i.e., 30/60/90) that captures how to activate the case for change and move toward Phase 0

Close & Celebrate

Walk through successes of the day/highlights, share closing remarks and celebrate
