

2016 Deloitte Energy Conference

Exponential technologies, driving exponential change

June 21-22, 2016 | Washington, DC

The program

Dedicated to providing the energy industry with insights on emerging topics, Deloitte brings together energy executives, researchers, entrepreneurs, investors and regulators from around the globe for an in-depth analysis of key developments and challenges facing today's global and domestic energy markets at its Energy Conference. Speakers come from a cross-section of the world's energy industry, and the conference topics are of keen interest to energy company management, boards of directors, investors, and all other industry professionals.

Who should attend?

Energy company management, boards of directors, investors, and all other industry professionals should look forward to hearing from speakers who will represent a cross-section of the world's energy industry.

Location:	Grand Hyatt Washington 1000 H Street NW, Washington, DC 20001
Meeting start:	Tuesday, June 21, 2016 8:00 a.m.
Meeting end:	Wednesday, June 22, 2016 1:30 p.m.
Attire:	Business casual
Airports*:	Plan your flight into Ronald Reagan National Airport. Dulles and Baltimore/Washington airports are also options, but transfer times are approximately an hour from the hotel.

* Airports and ground transportation - see page 3 for details.

(\$950 for government and non-profit employees*)

Half Conference (one day)

Early Bird: Register and pay by June 10, 2016

\$750

(\$550 for government and non-profit employees*)

Register and pay on or after June 11, 2016

\$900

(\$700 for government and non-profit employees*)

*Deloitte LLP has organized this event, making a good faith effort to meet the requirements of a "Widely Attended Gathering," as defined in federal government ethics regulations applicable to executive agency employees and officials. It is recommended that government employee invitees consult their applicable agency ethics official regarding attendance at this event and obtain, if required, an agency interest determination in accordance with any applicable government employee ethics regulations. Additional information on the event can be obtained by contacting Annette Proctor at amproctor@deloitte.com.

Group discounts available: Companies registering three or more employees on or before June 2 will receive a 10% discount. The discount will be reimbursed after the Conference, based on attendance. This discount does not apply to government or non-profit employees.

The registration fee includes all Conference materials and meals, including dinner on Tuesday evening at the National Museum of American History.

Cancellation policy: Cancellations received on or before May 30, 2016 are fully refundable.

Cancellations received May 31 – June 13, 2016 will receive the post-meeting Conference Report and a refund, less a \$300 cancellation fee. Cancellations received on or after June 14, 2016 will receive the Conference Report, but no refund. No-Shows are non-refundable.

Room rate: \$369 per night, plus tax.

This rate may be offered for dates prior to and after the scheduled conference dates, subject to hotel availability. Please do NOT call the hotel directly. Deloitte National Meeting Services will manage all reservations based on your online registration.

Ground transportation

From Ronald Reagan National Airport (DCA)

Ronald Reagan National Airport (DCA) - 5 miles, approximately \$15 taxi.

From Dulles International Airport (IAD)

Dulles International Airport (IAD) - 27 miles, approximately \$60 taxi.

From Baltimore/Washington International Airport (BWI)

Baltimore/Washington International Airport (BWI) - 30 miles, approximately \$70 taxi.

Private car service is available from all three airports. The rate from Ronald Reagan National Airport is approximately \$82 one way plus tax and gratuity. For reservations and rates from other airports, please call the Hyatt concierge at +1 202-582-1234.

Continuing Professional Development (CPE)

CPE credit amount and field of study subject area(s) are pending review by the National CPE Compliance Group. Participants can receive up to 12 hours of CPE credit for attending the seminar in multiple subject areas depending upon sessions attended.

Course Evaluations will be available at the seminar for participant feedback. There are no prerequisites or advanced preparation required.

To register complaints related to timeliness/accuracy of CPE credit reporting, program delivery, or program content, contact Janelia Tse at jtse@deloitte.com.

For CPE purposes, this is a Group-Live advanced program.

Deloitte LLP, Deloitte & Touche LLP, Deloitte Financial Advisory Services LLP, and Deloitte Tax LLP are registered with the National Association of State Boards of Accountancy (NASBA), as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit.

NASBA National Registry of CPE Sponsors –
Sponsor License Number 107752
State of New York – Sponsor License Number 000889
State of Texas – Sponsor License Number 0000156

In accordance with the standards of the National Registry of CPE Sponsors, CPE Credits will be granted based on a 50-minute hour.

Complaints regarding registered sponsors may be addressed to:
National Registry of CPE Sponsors
150 Fourth Avenue North, Suite 700
Nashville, TX 37219-2417

Deloitte Center for Energy Solutions

The Deloitte Center for Energy Solutions (the "Center") provides a forum for innovation, thought leadership, groundbreaking research, and industry collaboration to help companies solve the most complex energy challenges.

Through the Center, Deloitte's Energy & Resources Group leads the debate on critical topics on the minds of executives — from the impact of legislative and regulatory policy, to operational efficiency, to sustainable and profitable growth. We provide comprehensive solutions through a global network of specialists and thought leaders.

With locations in Houston and Washington, DC, the Center offers interaction through seminars, roundtables and other forms of engagement, where established and growing companies can come together to learn, discuss, and debate.
