Cincinnati.com | **The Enquirer**

Dear honorees,

As the Cincinnati Deloitte Private practice leader, it is my honor and pleasure to personally congratulate you for your company's recognition as a 2020 Deloitte Cincinnati USA 100 award recipient. According to our annual survey of executives from the winning companies, this year's 100 generated \$43.6 billion in revenue in their past fiscal year with more than 125,500 full-time employees. The four growing companies who are receiving the Rising Star awards are indicative of the growing private company sector in Cincinnati. This year, we are pleased to recognize Mr. Melvin J. Gravely II as the 2020 Carl H. Lindner Award recipient, as his leadership, business success, and civic involvement reflects that of the late Carl H. Lindner. The importance of privately held companies to Cincinnati's economy cannot be overstated.

This year (the 37th year of the program) has been like no other. Our celebration of you and your company will look a bit different due to the current pandemic. In lieu of an in-person celebration, we are highlighting you and your company's success today and in the coming weeks through print, social, and online mediums. The various channels are outlined in the enclosed postcard and in the media e-kit. We look forward to seeing you there!

On behalf of Deloitte, Great American Insurance Group, and the *Cincinnati Enquirer*, we are proud to showcase your accomplishments and celebrate the role that family-owned, employee-owned, and privately held companies play in our community. We applaud your accomplishments and look forward to your future successes.

CONGRATULATIONS!

Sincerely,

Tom Plaut
