

CFO Forums

CFO participants set the agenda

CFO-driven. In more than 75 US forums each year, CFOs drive the agenda, discussing and responding to the toughest challenges they face. Many of our client CFOs report that these forums are among their most valuable resources. Deloitte’s role is primarily to facilitate the meetings and provide neutral resources to support the meeting agenda.

Peer-to-peer connections. CFO Forums enable CFOs across diverse industries to share common challenges. By design, the forums set aside ample time for networking and sharing insights and solutions to pressing challenges. Participants say this interaction is one of their favorite aspects of the forum experience.

Top issues of the day. CFO Forums cover topics ranging from technology disruption and global economy to the changing tax landscape, risk management, doing business in China, sustainability, finance transformation, retirement and pension risk, capital markets, compliance issues, finance talent, and health care.

CFO Mission Event

The annual CFO Mission, in addition to the local CFO Forums, we offer a 2-day immersive experience for a select group of CFOs. Our previous locations have been in Silicon Valley and Washington, DC.

The CFO Program helps CFOs stay ahead of increasingly complex demands through unique opportunities to draw on the experience of Deloitte leaders, subject-matter specialists, CFO peers, and board members. The CFO Program harnesses our organization’s broad capabilities to offer forward-thinking insights for every stage of the CFO career, helping new and experienced CFOs manage the complexities of the role, tackle their companies’ most compelling challenges, and adapt to business and market shifts.

The CFO Program was developed to offer CFOs and aspiring CFOs a trusted, valued, and comprehensive “go-to” resource for personal career development and success as the CFO role evolves to address new demands. For more information visit www.deloitte.com/us/cfo.
