

# Finance Leadership Program™

## Opportunities ahead

Modeled after the curriculum of Deloitte's Next Generation CFO Academy, the Deloitte Finance Leadership Program is designed to help finance executives advance their leadership, communication, and decision-making skills. This program delivers insights and guidance that help CFOs and finance leaders take their organizations—and their careers—to the next level.

## Local program

Focusing on leadership, influence, and competence, this program is specifically designed for high-potential finance executives across a spectrum of industries and organizations and is held at a local marketplace.

Participants hear directly from local CFOs, board directors, and leaders, with subject-matter specialists sharing insights on M&A, talent, technology, tax, and other topics relevant to today's CFO. The format ranges from a concentrated single day to multiple sessions spread over the course of a year.
