

## ChangeScout

## Intelligent change

ChangeScout is a change management solution designed to accelerate and simplify complex change programs in real time.

Organizations need to think beyond end user adoption and focus more on true realization. We believe the power of data can help you get there.

ChangeScout demystifies change management, offering a structured, organized, and seamless experience to help your change managers make smart decisions to prepare your people for change. The result: reduced manual effort, faster delivery, improved adoption, and increased realization.

With built-in automation, pre-configured solutions, and advanced analytics capability, ChangeScout helps you optimize your change program and meet your transformation goals.

ChangeScout combines cutting-edge technology and Deloitte's proprietary change management methodology to transform the way change is delivered.

Leverages AI, analytics and metrics to gain insights, manage risk, assess priorities, and track readiness

Linked data allows for customized, targeted change management interventions

Single working portal for change team collaboration

Automated reports and dashboards provide single, comprehensive change view of data across global programs

Built on the Salesforce.com platform, and leverages best-in-class security and scalability

## Manage complex change

With ChangeScout's ability to automate and accelerate activities, organizations can drive change management consistently across complex programs and reduce manual effort

## Intelligent scoping

Utilize standard, pre-built accelerators that leverage decades of change leadership, eliminating the need to start from scratch and allowing change experts to focus on the most strategic activities in targeted areas

## Enable internal change capability

Leverage Deloitte's method and tool training to build change capability within your organization and deliver a consistent change experience to your end users

## What clients are saying:

"Employees were receiving 20+ project emails per week. ChangeScout streamlined, targeted, and measured communications and reduced project emails to one per week."

— Global pharmaceutical organization

"ChangeScout allowed us to use numerous pieces of visualized change information to drive meaningful conversation about the best ways to drive change and maximize impact."

— Global organization undergoing finance transformation

"We used ChangeScout to closely track stakeholders, and we were able to tighten communications among global teams, leading to stronger stakeholder engagement and setting well-informed goals and priorities for stakeholders."

— Global manufacturing organization
