

Delivers a modern-day solution tailored for the employee.

ConnectMe is a digital workplace that uses insights to connect the workforce to what they need, when and where they need it.

Imagine if you could establish a digital workplace that empowers employees to make quick, information decision on demand

Employees can be more productive and more connected

Managers can quickly gain approvals on employee issues

HR Operations can become more strategic with less focus on manual, repetitive tasks

CHROs can position HR as a strategic leader that drives business issues

Digital workplace

Enables employees to communicate, collaborate and make work/life decisions on demand.

Self-service tools that allows employees to finish HR tasks quickly and get back to work.

Personalized dashboards that contextualize knowledge articles, task lists, and content based on an employee's role, location, and job title.

Integrated support channels via email, chat, and phone to provide quick answers to pressing questions.

Social ranking so employees can find the most relevant and popular content ranked by their peers.

An analytics engine that populates content based on employees' needs, such as marriage, promotion, or other professional moments.

Digital HR

Simplifies the service delivery model; simplifies complexities of HR's day-to-day by providing tools they need to meet the needs of the organization.

Contextualized experiences allow HR to populate the knowledge base with the most relevant, searched articles.

Deloitte's Human Capital Transformation best practices are embedded to provide a baseline solution for HR Service Centers built on the Salesforce Platform.

Omni-channel support enables HR to quickly and efficiently answer employees' questions via email and chat, as well as attach files, blog links and relevant articles.

Dynamic forms automate business rules and cover the needs your current HCM system doesn't solve.

Advanced analytics aggregate user interactions to allow HR to continually improve content and processes based on what's important to the workforce.

ConnectMe provides digital HR service delivery enabled by analytics ad personalization.

Smart

Analytics drives personalized content tailored to employees role and preferences.

Connected

Access and interact with your colleagues, teams and HR from any device.

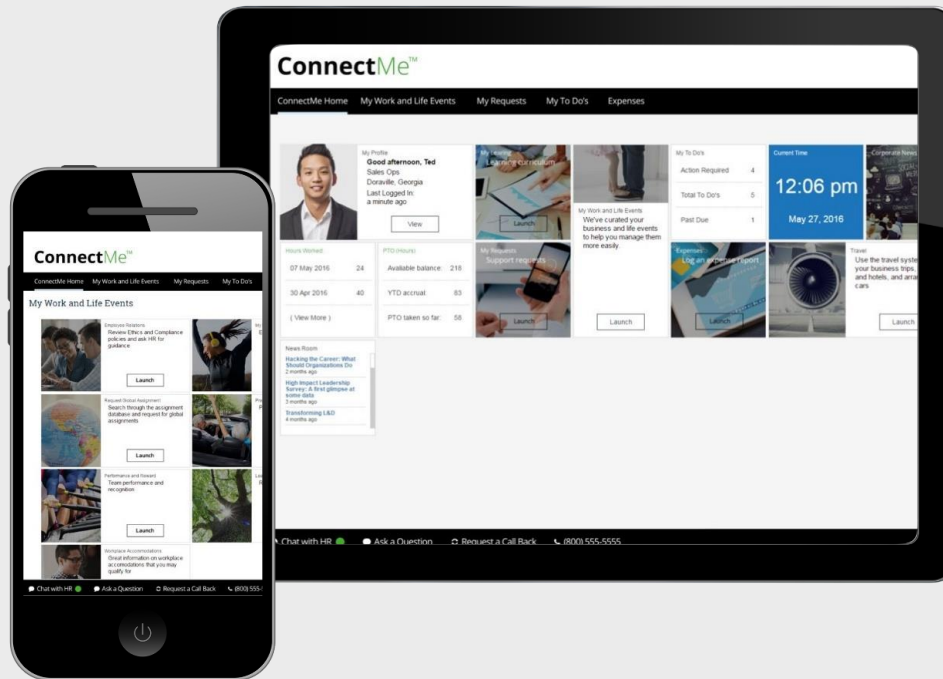

Intuitive

Highlights relevant content based on employees' needs, such as marriage, promotion, or other professional moments.

Empowering

Provides ability to complete HR tasks quickly and get back to work.
