

Human Capital Platform Workforce Assessment

Fueling strategy execution
with workforce insight.

In today's fast paced and constantly disrupted world, **you need to know, not guess** when making decisions about your workforce.

Deloitte's Workforce Assessment enables organizations to better understand the employee perspective during strategic transformational change.

Workforce Assessment provides organizations with a unified **data collection platform and analysis tool** that presents survey results in a digestible way to enable prioritization and decision-making.

Workforce Assessment, Reimagined.

The Workforce Assessment platform brings multiple surveys and Human Capital IP together to help organizations better understand the workforce journey through transformative change and initiatives.

Suite of Assessments

CulturePath: uncovers gaps between current state and vision for company culture across eight indices to drive business strategy

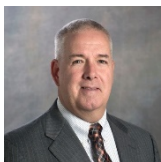

EngagePath: explores employee engagement levels across the organization and defines a path forward to transform engagement

Cloud Workforce Analytics: assesses IT and cloud capabilities; performs skill gap analysis and role mapping exercises

Digital DNA: measures digital maturity and identifies opportunities for growth in order to develop actionable changes to achieve desired maturity

Future of Work: evaluates maturity on six dimensions of Future of Work journey, empowering leaders to sustain their people into the future
