

Health insurance marketplaces: Map of enrollment by state

More than 9.5 million individuals determined eligible for a health insurance marketplace plan enrolled in one as of data collected through approximately January 16, 2015.* Fourteen states are running a state-based marketplace, and 37 states use the HealthCare.gov platform for their health insurance marketplace. Below is a breakdown of the number of individuals enrolled in state-based (SBM) and federally-facilitated marketplaces (FFM)

Legend:

1,000-50,000 individuals	50,000-99,999 individuals	100,000+ individuals
--------------------------	---------------------------	----------------------

State-based marketplace	SBM running FFM platform	Federally facilitated marketplace
-------------------------	--------------------------	-----------------------------------
