China-Related Reports (其它中国相关报告)

Strategy, not technology, drives digital transformation

MIT Sloan Management Review and Deloitte 2015 global study of digital business found that maturing digital businesses are focused on integrating digital technologies, such as social, mobile, analytics and cloud, in the service of transforming how their businesses work. The ability to digitally reimagine the business is largely determined by a clear digital strategy supported by leaders who foster a culture, which is able to change and invent the new.
