China's expanding Silicon Valley footprint: Outlook and implications for US tech companies

May 12 | 11:00 a.m. ET

Government tax credits and incentives can benefit inbound investors, yet a large percentage of US federal, state, and local benefits go unclaimed. Depending on a project's parameters, applicable incentives can potentially create significant advantages for businesses, but many must be secured early in the planning stages. Learn how your company may benefit from US tax incentives for inbound investment, along with potential ways to take advantage of them.

[What it takes to be an advantaged acquirer](#)

Last year was one for the M&A record books and while M&A may not continue at this record pace, the trend seems far from abating. In this issue of CFO Insights, we will examine the common mistakes that happen in merger waves and outline ways that CFOs can potentially avoid them by becoming advantaged acquirers.
