Related Reports

M&A Loves the Cloud

Cloud capabilities are enabling many organizations to fundamentally change the way they operate and to move from traditional on-premises back-office infrastructure to an on-demand model. This shift has significant implications for M&A activity.

Joint ventures and partnerships: Putting the pieces together from the start

Joint ventures (JVs) don't have to be a puzzle. In many market situations, joint ventures and alternative transaction structures may be superior to traditional mergers and acquisitions (M&A). Access to otherwise unavailable markets, a limited upfront investment, and new paths to exit are a few reasons why. We have assembled seven decisions, that when combined early, are key to the success of a JV.
