M&A powered by cloud and alliances

Deloitte has deep-rooted alliances with leading technology companies to help accelerate M&A value. Our deep understanding of M&A strategic business drivers, coupled with our first-hand knowledge of how to utilize leading technologies capabilities, allows Deloitte to help clients realize greater transaction value faster than previously possible.

**Deloitte leads the market in bringing technological capabilities to help our clients solve their largest challenges.**

**Cloud Suitability & Placement Diagnostic**
Assesses and guides strategic decisions on the suitability of application portfolios for the cloud.

**Cloud Value Calculator**
The Cloud Value Calculator helps IT executives develop a shared understanding of the benefits that a cloud-based transformation can bring to their enterprise.

**DigitalMIX™**
A one-stop-shop for strategy, digital processes, design, and technology. DigitalMIX pre-configured Cloud Platform is Deloitte Digital’s multi-solution portfolio of marketing, sales, service, analytics, CRM, order and billing management, financial management, and enterprise cloud-based services.

**ClearLight™**
ClearLight is an on-demand, end-to-end platform for advanced analytics projects and solutions. The platform is composed of a suite of pre-integrated third-party and Deloitte-proprietary technologies. ClearLight can be deployed rapidly, is compliant with all Deloitte security standards, and significantly accelerates a team’s time-to-value.

**NetSuite**
Deloitte’s NetSuite Alliance brings a broad strategic perspective to planning and execution for cloud implementations, offering a range of cloud services that can address both the business implications of cloud adoption and important technical issues.

**SAP**
SAP’s Cloud offerings include SAP S/4HANA, SuccessFactors, Central Finance, Analytics, and various other suites of applications and cloud platforms. You can leverage process improvement, technology innovation, and people programs to prepare for what’s next and to reach new levels of organizational efficiency, effectiveness, and innovation while supporting M&A transactions.

**Oracle**
Deloitte’s Oracle Digital M&A Alliance offers Oracle Cloud as a foundation coupled with digital enablers (i.e., Automation, Cognitive, IoT, Blockchain) that allow clients to accelerate their M&A life cycle with the realization of greater value and velocity. Additionally, these solutions support clients’ lower TCO; shift from CAPEX to OPEX; and drive standardization across the M&A life cycle.

**Salesforce**
The Salesforce-Deloitte Alliance can help deliver the value potential on an acquisition with Cloud solutions that enable revenue and cost synergy, and effective change management.
Across borders and key phases of the deal, Deloitte delivers, demonstrating the agility and commitment to respond to client challenges. Where flexibility meets focus, highly customized strategies become high-impact solutions.
