

ConvergeHEALTH™ RevenueIntellect™

Turning your data into
actionable intelligence for
improved financial margins

Introducing Revenue Intellect™

Designed specifically for health care providers, Revenue Intellect™ is a cloud based guided-analytics platform that is designed to isolate, quantify and prioritize revenue leakage sources. Think of it as a diagnostic tool paired with interpretation and treatment results for your revenue cycle.

Revenue Intellect™ uses comparative and predictive data analytics powered by Deloitte Analytics to deliver the following features:

- One-stop shop for managing revenue cycle performance
- One-click navigation for discovering critical issues, prioritized for your decision making.
- Automatically-generated insights on demand
- Customized reporting and filters with account level drill-down capability
- User-friendly Web interface accessible anytime, anywhere (tablet enabled)

Revenue Intellect™ is rooted in Deloitte's end-to-end Revenue Cycle practice to provide you with data results as well as advisory support to help you make sense of it all.

This blend of our leading Analytics and Revenue Cycle experience brings you the personal service and features you need to help turn your data into actionable intelligence for improved financial margins.

Pricing and key contacts.

Revenue Intellect™ is priced annually as a subscription. Subscriptions include:

- HIPAA-compliant, cloud-based data storage
- Implementation, setup, a revenue cycle opportunity assessment, and ongoing support
- Guided insight interpretation advisory sessions with Revenue Intellect™ staff

With Revenue Intellect™, our health system has been able to identify sources of revenue leakage we thought were there, but could never before isolate. This tool enables us to access data at a level we've never been able to get to before to drive revenue cycle performance."
