

Deloitte Center for Regulatory Strategy Americas (DCRS)

Regulation

As regulators and legislators respond to the ever-changing economic and business environment, they will continue to reshape today's operating frameworks. DCRS examines emerging regulatory challenges and requirements and provides institutions with intelligence on how to streamline, enhance, and better integrate regulatory compliance processes into diverse operating models. Our prospective regulatory tracking and impact analyses will help keep you informed on upcoming regulations and how they may affect your business.

What is the Center?

The Center for Regulatory Strategy Americas is Deloitte's platform for thought leadership, knowledge-sharing, research and collaboration on the regulatory issues that are relevant to our clients in highly regulated industries.

| | | | |
|---|---|---|---|
| | | | |
| Monitor and analyze: Continually track, monitor, and analyze regulatory developments to identify relevant and significant issues affecting the markets and our clients' businesses. | Inform: Provide our perspectives on regulatory developments, issues, and concerns via thought leadership, impact analyses, the RegPulse blog, and webcasts. | Connect: Create opportunities for regulatory stakeholders and others in the regulatory and compliance community to connect with each other and thought leaders. | Advise: Develop customized, consultative offerings for specific companies based on their needs, including access to a roster of former senior regulators that serve as Senior Advisors. |
