

Deloitte's Financial Technology team, a leader in the financial software solutions market, offers Solvas|Data, a bank loan data processing service for Solvas|Portfolio™. Solvas|Data is an outsourced loan data administration service to help Solvas|Portfolio clients reduce the need to manually input agent notices. The loan information is entered by Deloitte directly onto the Solvas|Portfolio platform with the notice detail stored in each associated transaction.

Quality service combined with seamless data feed integration and competitive pricing makes Solvas|Data an ideal outsource data solution for loan administration.
