

Deloitte Technology Fast 500 Recognizing growth and innovation

Now in its 28th year, the Deloitte Technology Fast 500 is an annual ranking of the fastest-growing public and private technology, life sciences, fintech, and energy tech companies, based on three-year percentage revenue growth. The rankings are compiled from applications submitted directly to the Technology Fast 500 website and public company database research conducted by Deloitte Services LP.

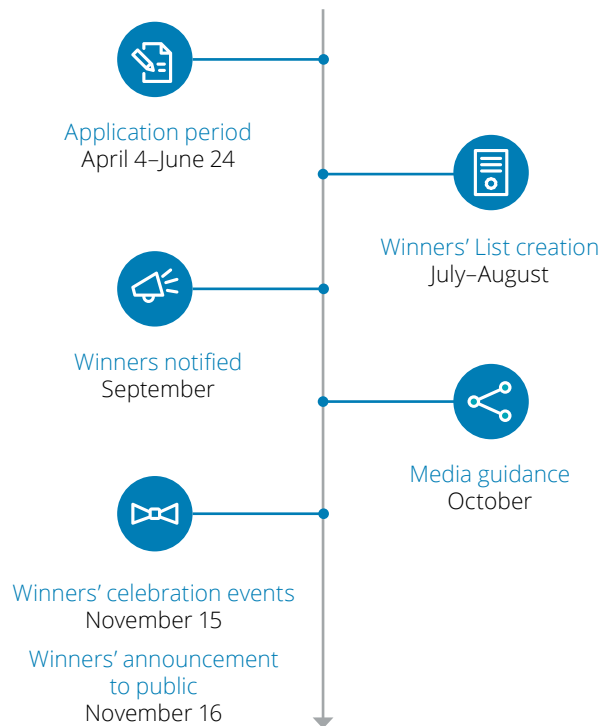

Potential benefits of being a winner

- Benchmark of success
- Increased visibility with investors
- Enhanced brand and customer recognition
- Positive influence on employee recruitment, retention, and morale
- Local, national, global, and social media exposure
- Valued networking opportunities at Technology Fast 500 events
- Official winner's plaque

2022 eligibility requirements

- Be in business for a minimum of four years and be headquartered within North America
- Base-year (fiscal year 2018) operating revenues of at least US\$50,000 and current-year (fiscal year 2021) operating revenues of at least US\$5 million
- A growth rate of 75% or greater; percentage revenue growth is computed as:
 $[(FY2021 \text{ revenue} - FY2018 \text{ revenue}) / FY2018 \text{ revenue}] \times 100$
- Own proprietary intellectual property or proprietary technology, which must be sold to customers in products or services that contribute to a majority of the company's operating revenues
