

Deloitte Technology Fast 500 Recognizing growth and innovation

The Deloitte Technology Fast 500 is an annual ranking of the fastest-growing public and private technology, life sciences, fintech, and energy tech companies based on three-year percentage revenue growth. The rankings are compiled from applications submitted directly to the Technology Fast 500 website and public company database research conducted by Deloitte Services LP.

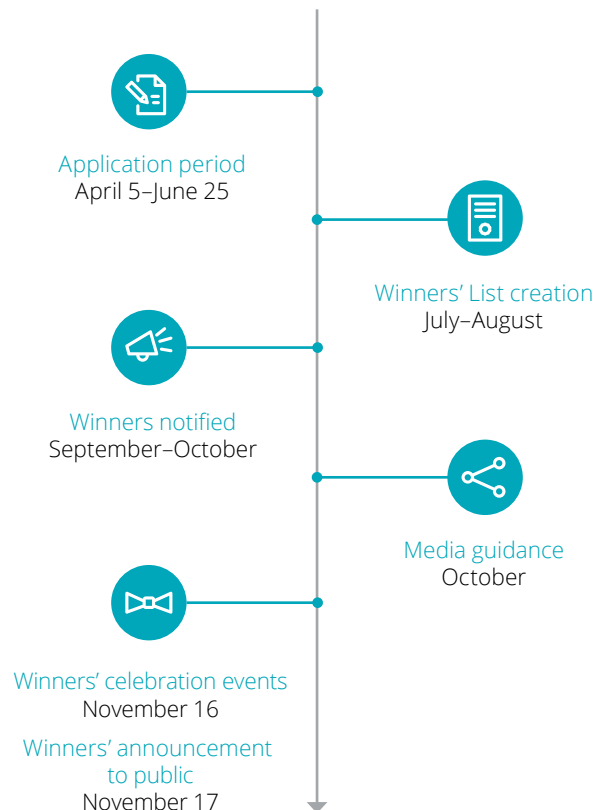

Benefits of being a winner

- Benchmark of success
- Increased visibility with investors
- Enhanced brand and customer recognition
- Positive influence on employee recruitment, retention, and morale
- Local, national, global, and social media exposure
- Valued networking opportunities at Technology Fast 500 events
- Official winners' plaque

2021 eligibility requirements

- Be in business for minimum of four years and be headquartered within North America
- Base-year (fiscal year 2017) operating revenues of at least \$50,000 USD and current-year (fiscal year 2020) operating revenues of at least \$5 million USD
- A growth rate of 75% or greater. Percentage revenue growth is computed as:
 $[(FY\ 20\ revenue - FY\ 17\ revenue) / FY\ 17\ revenue] \times 100$
- Own proprietary intellectual property or proprietary technology, which must be sold to customers in products or services that contribute to a majority of the company's operating revenues
