Reframing work — for the future and today
Spring 2019

Featured insights

Give your employees specific goals and the freedom to figure out how to reach them
If you give employees more freedom, how do you know they will use it well? This Harvard Business Review article explores how redefining work at a fundamental level offers enormous opportunity today.
READ

Reframing the future of work
The noise around future of work initiatives begs a question: to what end? This MIT Sloan Management Review article explores a framework for considering how FoW can address not just cost, but value and even meaning, for customers, workforces, and companies.

About Deloitte
Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
