

Summary of Vietnam's entry procedures

Travelling to Vietnam (from other countries)

*Vaccination/Recovery certificate: (OL2974)

- Vaccination certificate from the following 50 countries/places is accepted and are not required to be notarised/legalised by the Vietnamese embassy or consulate (OL3185/BNG-LS) (OL748/CH-LS-PL)
(Updated as at 19 August 2021):

- | | | | |
|----------------|----------------|----------------------|-----------------|
| Poland | Japan | Germany | Spain |
| UAE | New Zealand | Russia | Denmark |
| South Korea | Brazil | United Kingdom | United States |
| Kazakhstan | Sri Lanka | Austria | Italy |
| Mongolia | Czech Republic | San Marino | Bulgaria |
| Oman | Morocco | Laos | Slovak Republic |
| Thailand | Saudi Arabia | Singapore | Norway |
| Romania | Armenia | Belgium | Sweden |
| Israel | France | Azerbaijan | India |
| Swiss | China | Pakistan | Ireland |
| Greek Republic | Kuwait | Republic of Colombia | Turkey |
| Taiwan | Netherlands | Australia | Finland |
| | Hungary | Belarus | |

Other than the above countries, the vaccination certificate has to be legalised/certified by the Vietnamese embassy consular in origin country
This guidance also applied to children of foreigners who are under 15 years old (i.e. children below 15 years old are also required to be fully vaccinated)
