Objectives

Investment incentives have recently become a hot topic amongst foreign investors community in Vietnam. The Vietnam National Assembly and the Government have conducted several working sessions to consider how incentives can be utilised to maximise investment attraction for the period 2018-2030. In that context, Deloitte Vietnam's experts would like to share extensive experience and knowledge with the executives of foreign businesses an overview on:

- Why investment incentives matter now
- Available investment incentives scheme: opportunities and challenges under the current economic context
- Supporting industry incentives: will there be better tax incentive schemes?

Participants
