

The Entrepreneur Summit presented by Deloitte Private

November 8, 2018 | Omni Frisco Hotel | Dallas, TX

Join highly successful business owners, the world's leading investor groups, senior executives, industry specialists, and M&A professionals for a unique networking event. This year's Summit will be held at the Omni Frisco Hotel, which is adjacent to The Star—the world headquarters and training facility of the Dallas Cowboys.

The focus: Learning and networking

The Entrepreneur Summit offers privately held businesses the opportunity to engage in one-on-one meetings with approximately 175 investor groups—including private equity firms, family offices, and sovereign wealth funds. These investor groups collectively focus on all industries and investment types, and in aggregate, manage approximately \$2 trillion.

Attendees will learn more about the private equity alternative and receive specific insights from professional investors. Many companies view this event as a business development

opportunity, given that attending investor groups collectively own thousands of portfolio companies in similar industries. Organizations with no near-term plans to transact will also find The Entrepreneur Summit to be a valuable learning and networking experience.

Deloitte will collect detailed post-conference feedback from the investor groups based on every meeting they attend, and coordinate appropriate follow-up dialogue. All investor groups execute a non-disclosure agreement as part of the registration process that precludes them from contacting companies after the conference without a specific invitation to do so.

You'll be in good company

Last year's event brought together more than 700 private business owners, leading investor groups, senior executives, industry specialists, and middle-market M&A professionals.

Event highlights
